

**ELECTRIFYING
THE FUTURE.
TOGETHER.**

alfatec industries

COMPANY PROFILE

GLOBAL DISTRIBUTOR OF SPECIALIZED ELECTRONIC COMPONENTS

- Establishment: **2022**
- Location: **Tri-Cities**, East Tennessee
- Privately owned company
- Superior service and technical expertise
- **45+ years** of industry experience
- Intelligent supply chain management meeting **latest industry standards**
- Warehouse: 900+ pallet capacity in 15,000 sqft

WHY WE STAND OUT

Proximity to our customers. Proximity to you.

- Straightforward accessibility without detours
- Reliable and trusted support
- Reliable consistency even through unforeseen global challenges
- Agile response to changing requirements

Quick response time and high proactivity

Extensive support & outstanding flexibility for special requests

Intelligent logistics concept & bundle profit through volume scale-up

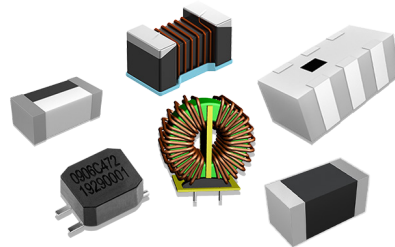

Technical know-how and integrated project management

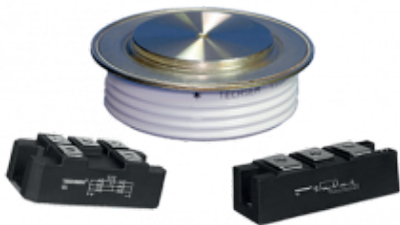

OUR PARTNERS

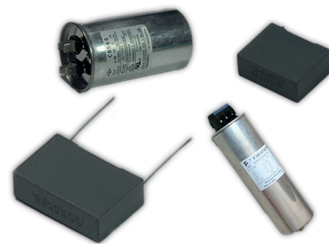

- Aluminum Electrolytic Caps
- Conductive Polymer Solid Caps
- Conductive Polymer Hybrid Caps

- Inductive Components
- Customer Specific CMCs

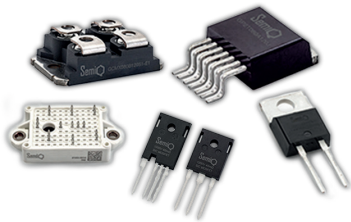

- Capsule-type Devices / Discrete Thyristors and Diodes
- Thyristor / Diode Modules
- Diode / Thyristor Bridge Rectifiers

- Film Capacitors
- AC Motor Capacitors
- Capacitors for Lamps
- Metallized Film

OUR PARTNERS

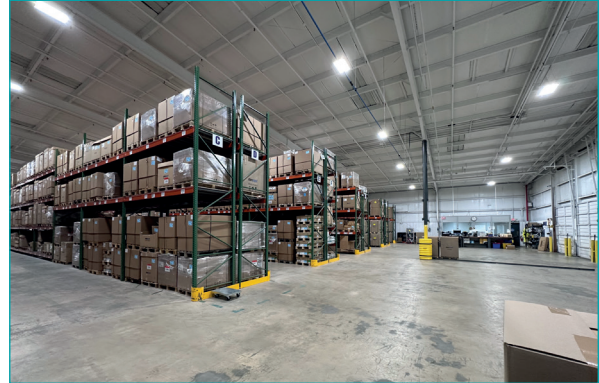

- Modules
- MOSFETs
- Diodes
- Known Good Dies

- Heat Conducting Films
- Gap Pads
- Graphite Foils
- Adhesive Tapes
- Thermal Greases
- Injection Moulding Pellets
- Gap Filler Liquid
- Thermally Conductive Adhesive

- Single Phase ASIC
- Three Phase ASIC
- Gate Driver
- IPM
- MCU
